

# Harare

## ***The Sunshine City***

Harare, the capital city of Zimbabwe, and popularly known as the sunshine city, is renowned for its beautiful jacaranda-lined streets and green scenery. With a population of 1,5 million people, Harare is a comfortable city to get around. It is the center to many non-governmental organizations, embassies, multinational companies, and major hotels of international standards. The city has an excellent climate that allows for a variety of outdoor activities. There are numerous clubs for golf, tennis, hockey, cricket, rugby, bowling and squash.

## **CITY TOUR**

This tour gives you an overview of the city from the low density areas that house the official residence of the President, University of Zimbabwe, up market Sam Levy shopping mall and the affluent Borrowdale suburb, through the city center via the Africa Unity square (design adopted the British Flag format) where a thriving curio market exists, Parliament of Zimbabwe, Kopje area (highest point of Harare) and the famous Queen Victoria Museum. The final stretch of the tour takes you through the industrial area and through one of the oldest high-density suburb of Mbare, which includes the typical African market of Mbare.

## **TRADITIONAL VILLAGE TOUR**

Zimbabwe's rich culture can be experienced in the rural areas surrounding the major cities. Mix with the rural communities and participate in their daily activities such as milking cows in a traditional way and other household chores. Enjoy the exciting traditional ceremonies and dances performed during the day. The friendly and ever smiling rural people are willing to accompany you to several mini-safaris like fishing in the big rivers, mountain hiking, walking trails, and sightseeing.
