

LION / CHEETAH PARK & LARVON BIRD GARDENS

See the beautiful big cats and other rare species such as giraffe, buffalo, rhino, hyena, baboons and clawless otter. At Larvon Bird Gardens you will see a variety of local & exotic birds up to a hundred species. At Snake Park, see some of the most poisonous and voracious snakes such as black mamba, cobra and puff adder.

MUKUYU WINERY & IMIRE GAME PARK

At Mukuyu you will witness the actual processing of wine. In the past 12 years the Mukuyu range of wines has won 8 silver and 20 bronze medals at the International Wine and Spirit competition in London.

Imire Game Ranch is one of the first private farms to introduce wildlife and breeding of endangered species. Today it is home to the elephant, black rhino, buffalo, lion, leopard, giraffe and hippos. At Imire you will feed rhinos and hippos, do elephant back safaris and have game drives in open but shaded vehicles.
